⌀ **125**   Art. # **48 504**

## Accessories

**Extension section**

in PP, with lip seal
**without lateral inlet**  Art. # **48 987**
**with lateral inlet**     Art. # **48 989**

***Multistop***

rodent, insect,
foam and odour stop
Art. # **48 500**

**Hair filter**

made of polymer
Art. # **48 700**

**Odour trap**

Sealing water height 50 mm
according to norm
Art. # **48 600**

Certification no.
Z-19.17-1719

* Certification no.
Z-19.17-1719

□ 360 mm

***Fire-Kit* Fire protection insert**

Only for *Ecoguss* drains with vertical
outlet and odour trap Art. # 27 169
⌀ **58/78/83** Art. # **48 099**
⌀ **110**        Art. # **48 100**

**Bell-shaped odour trap insert**

in PP,
sealing water height 50 mm
Art. # **27 169**

***Quick-Fit* the passage seal**

the all-round seal for core drillings
for *Ecoguss* -drain body, vertical outlet
**without fire protection**
Art. # **48 991**
**\* with fire protection**
Art. # **48 990**
(only use in combination with *Fire-Kit* fire protection insert)
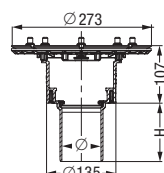

**Insulating body**

fits all *Ecoguss* drain
bodies with vertical
outlet
Art. # **48 952**

## Drain body *Ecoguss*

4.5 l/sec flow rate
Sealing water height 50 mm

| ⌀ | 58 | 78 | 83 | 110 |
|---|-----|-----|-----|-----|
| H | 100 | 110 | 110 | 110 |

***Ecoguss* without odour trap**

Vertical outlet, with pressure sealing flange,
high temperature resistant
⌀ **78**   Art. # **48 879**
⌀ **83**   Art. # **48 889**
